

Resolution Accepting and Appropriating
a Donation from West Hartford Little League

WHEREAS West Hartford Little League has expressed an interest in providing lighting for one of the baseball playing fields at the complex which the Town leases from the University of Connecticut; and

WHEREAS the installation of such lighting requires approval of the Town's Plan and Zoning Commission following the submission of an application and a public hearing thereupon; and

WHEREAS the Town of West Hartford must be the applicant for that approval as the lessee of the property; and

WHEREAS the submission of such an application requires the development of plans and specifications by professional electrical engineers; and

WHEREAS West Hartford Little League has tendered a check to the Town of West Hartford in the amount of \$6,750 to cover the cost of developing this preliminary documentation; and

WHEREAS the Town will need to establish a separate capital project account for the construction of the lighting itself if zoning approval is obtained from the Plan and Zoning Commission, but it is premature to do so at this time

NOW THEREFORE BE IT RESOLVED BY THE TOWN COUNCIL F WEST HARTFORD THAT the generous donation of \$6,750 from the West Hartford Little League is accepted gratefully; and

BE IT FURTHER RESOLVED THAT said donation is appropriated to the Leisure Services Capital Account #831518 in order to cover the cost of preparing documentation to support an application to amend the Special Use Permit for the Town's baseball playing fields at the University of Connecticut property on Asylum Avenue.
